about us

AVA Cabinetry recognizes that not all of our customers and their projects are the same. For this reason, we have launched several purchasing programs. Whether you are remodeling an apartment, adding our cabinetry to your own showroom, or remodeling your personal kitchen, we want to service your specific project's needs and give you the best pricing available. We have many options because when you purchase from us, you are purchasing factory direct!

AVA Cabinetry is also looking to form relationships with local professionals and businesses to grow and improve our services to customers. There are many opportunities available with us: From referring customers or helping them through the purchasing process, to assisting them with measuring, assembly, and installation. We may also be interested in joint marketing and recommending your business on our website. Feel free to email dealers@avacabinetry.com to receive more information about these opportunities.

company **information**

1. Why buy from us?

We offer FREE door samples, FREE no obligation quotes, and FREE professional design services! With AVA Cabinetry, you'll receive excellent customer service before, during and after your order has been placed. We also offer a lowest price guarantee!

2. Where are you located?

Even though AVA Cabinetry is primarily online based, we have showroom locations that are open to the public in Adrian, MI, Kennesaw, GA, Largo, FL, and Murfreesboro, TN. We will be opening additional warehouses as well, so contact us to inquire about locations near you!

3. Are the cabinets shipped assembled?

Our cabinets are shipped Ready-to-Assemble (RTA). AVA Cabinetry also offers an assembly option for all orders. Contact us for more information regarding assembled cabinets.

4. Can I receive help designing my kitchen or bathroom?

Yes! We offer FREE professional design services. Please visit the 3D design tool on our website to be paired with one of our design specialists.

5. How do I place an order with you?

You may place an order yourself online at lilyanncabinets.com. Or, you can contact us at 800-551-1438 to speak with a designer/sales representative for direct assistance with ordering.

When/How will my order ship?

- All large orders will be shipped via LTA freight services. All small orders will be shipped via UPS or FedEx.
- All in-stock orders will follow a standard lead time of up to 14 business days, plus freight transit time. This lead time may be extended in the event of any revisions to the original order.
- Once your Order leaves our warehouse, you'll receive an email containing tracking information. The freight company will call 24 hrs in advance to schedule your delivery appointment. We recommend the buyer does not schedule installation until product is received.

cabinet features

AVA Cabinetry is one of the leading factory direct distributors of kitchen and bathroom cabinetry in the industry today. We have been selling our kitchen cabinets and bathroom vanities nationwide to customers since 2004, shipping out hundreds of projects a month, coast to coast. AVA Cabinetry is your one stop shop for all things cabinetry. With over 15 distinct finishes of cabinets to choose from, you're sure to find the unique look to suit your upcoming project.

Our goal as a company is to bring you a high quality product without the hefty price tag. Ready-to-Assemble (RTA) Cabinets will save you thousands of dollars, even in comparison to the big box stores. We offer our customers FREE samples, quotes, and professional layout design. AVA Cabinetry recognizes that not all of our customers and their projects are the same.

For this reason, we have launched several purchasing programs. Whether you are remodeling an apartment, adding our cabinetry to your own showroom, or remodeling your personal kitchen, we want to service you specific to your project needs and give you the best pricing available. We have many options because when you purchase from us, you are purchasing factory direct!

lumber quality

We believe quality cabinets begin with quality materials. We proudly source top-grade lumber for dependable quality assurance and long lasting beauty.

assembly method

Our dovetail cabinet construction process uniquely interlocks all components ensuring a strong cabinet that can stand the test of time. We also offer a metal clip assembly method that is standard to the RTA cabinet industry.

finish

To top off our solid wood cabinets, we apply an extensive 7- step finishing process to ensure their beauty lasts a lifetime. The doors and face-frames are hand finished with expert precision to create a smooth, premium quality finish.

soft-close

Our premium 6-way adjustable soft-closing hinges are included with most of AVA's cabinet styles. These compact soft-closing hinges ensure your cabinet doors shut smoothly and quietly, eliminating harsh slamming and preserving the integrity of the cabinet.

corner support

To ensure the highest structural integrity of our cabinets, we use wood and metal corner supports. These structural elements help to maintain squareness throughout the installation process and the lifetime of the cabinet.

soft close glides

An enhanced feature included with most of AVA Cabinetry is our premium drawer glides that soft-close with a small push. The full extension drawer glides also allow you to maximize storage and access the full depth of the drawer.

and more

Our solid wood drawer boxes are deeper than most competitors', which allows you to fit 25% more storage.

The latest in joint technology, our five-piece door and drawer construction assures less likely splitting of the joints.

Fully engineered door and drawer heads minimize expansion and contraction, reducing the risk of cracks in the finish.

Lily Ann Cabinets offers several different hand applied glaze color options.

We use a special clear plastic shelf clip to make sure your shelves snap in place and will not fall out. All of our shelves are also adjustable height so you can find the size you need.

Our cabinet box is made up of ½" 7-ply plywood on both sides, bottom and back panels.

All components lock together using our sliding dovetail design to ensure a strong, sturdy cabinet once assembled.

added value

Simple Modifications - We can increase or decrease the depth of any cabinet to any size, so you can create the perfect cabinet solution to suit your home.

Diverse Spec Book - AVA Cabinetry offers semi-custom sizing, a multitude of existing size offerings and a complete range of building products to suit every renovation project, regardless of size or price.

Expedited Shipping - With our national truck fleet of experienced drivers, we are able to provide quick nationwide shipping to all AVA Cabinetry customers. Depending on shipping location, some cabinet orders are shipped in as little as 1 week.

Experienced Staff - From our professional 3D designers to our dedicated sales team, AVA Cabinetry employees demonstrate exceptional product knowledge and are committed to providing an outstanding customer service experience.

lifetime warranty

At AVA Cabinetry, we stand behind our products. In the rare event of a defective cabinet, our products are backed by a Lifetime Warranty. We will stop at nothing to ensure your experience is positive from purchase to installation. For more information on our Lifetime Warranty, please visit www.avacabinetry.com/warranty
