Save money with our top of the line SPC Flooring. You can even use it to get free shipping on your order.

Don't Worry The First Piece Is On Us!

- ✓ IXPE underlayment provides acoustic benefits, underfoot comfort and will not support mold or mildew.
- ✓ Easy to install using our Patented Uniclick Click System.
- ✓ Our flooring can be installed with little or no subfloor prep.
- ✓ It can also be installed over any standard underlayment, concrete, old ceramic tile, wood or non-cushioned vinyl flooring.
